## OBJECTIVE

UTILIZE DESIGN AND INSTRUCTION SKILLS TO CREATE, INSPIRE, MOTIVATE, AND EDUCATE.

## EXPERIENCE

### Front Range Community College

Adjunct Instructor of CAD and Interior Design - November 2012 - Present

Credentialed for CTE from Colorado State Board of Community Colleges and Occupational Education  
Developed new curriculum for several different classes

Created a new 3ds Max advanced course approved at the state level

Conducted courses as "hybrid" and utilized Desire 2 Learn LMS

Received Online Instructor Certification May 2013 through FRCC

### Worlds of Wow, Inc.

Designer (Interior / Industrial / Graphic / Concept) - July 2011 - Present

Created concepts for kids themed interiors

Coordinated materials and finish selections for large commercial interiors

Produced large format production art and prepared art for printing

Designed 3D models from architectural plans

Generated production drawings and installation packets

Communicated with clients, vendors, and production partners to deliver and install product

Utilized spreadsheets, PMS, and documentation to organize multiple projects

### Floe Art & Design

Owner - 2006 - Present

Diversified clients and work includes record covers, book covers, video game art, logo design, industrial design, and play & theme design

### Netdevil Ltd.

Lead Concept Artist / Industrial Designer - 2006-2011

Created original concepts for Jumpgate Evolution (Space themed MMO)

Designed vehicles, character avatars, textures, and building concepts

Generated matte painting background art and creation (sky box) assets
